Document Type: Pre-solicitation Notice
Subject: Generator set relocation and installation at Ambassador's residence
Solicitation Number: SBX60015Q0007

Please note that this solicitation is not ready to be issued as of this date. The requirement is for the generator relocation and installation at the Ambassador's residence. The Government estimate for this work is at between US\$20,000 and US\$25,000.00. Please note these are only estimated quantities.

The anticipated period performance for the relocation and installation of existing generator set is tentative from June 15, 2015 to July 06, 2015 and the installation of new generator unit is within 7 days upon arrival of generator unit to the Embassy. (Note: Generator unit will be purchased separately by the Government) All responsible sources may submit an offer, which will be considered. The solicitation will be issued via email. Interested companies shall email Lys Boon for a copy of the solicitation documents.

The due date and time for quote submission is on **June 08, 2015**. (Note: The response date is not a firm date. Please see the RFQ for actual date.) Detail on submission of quotes is stated in Section 3, Solicitation Provisions of the RFQ.

The U.S. Government anticipates that the site survey for the swimming pool maintenance services will be held on **June 04, at 9.00 am** and intends to award a contract to a responsible company submitting a technically acceptable offer at the lowest price. We intend to award a contract based on initial offers, without holding discussions, although we may hold discussions with companies in the competitive range if there is a need to do so.
